University of Saskatchewan Master Gardener program (ccde.usask.ca/gardening)

Offers gardening & horticultural classes. Register any time & take as long as you want to complete the program.

Upcoming programs in our Sustainable Speaker series:

Tuesday, April 18, 7:00-8:30 p.m. Frances Morrison Central Library, Lower Level

Sustainable Landscapes that grow along with us

Join us for an enjoyable and educational talk that will help you design, grow and maintain a sustainable landscape and garden. Author, Patricia Hanbidge will provide tips to reduce maintenance, increase production and enhance enjoyment of your space.

Tuesday, May 16, 7:00-8:30 p.m. Frances Morrison Central Library, Lower Level

Watching Wildlife in Prince Albert National Park

Why is a red fox so catlike? When a loon calls, what is it saying? How did buffalos find their way back to the park? Wildlife ecologist and author, David Henry will talk about the fascinating animals and birds in Prince Albert National Park.

Compiled by BW, Frances Morrison Central Library & guest speakers from our Healthy Yards program, March 20, 2017
